taste.: trocken
producer region: Rheinhessen
alcohol: 12,5 % vol.
acidity: 6,0 g/l
residual Sugar: 3,2 g/l
EAN: 4260150430058

Our popular Sauvignon Blanc is crafted from batches of healthy grapes from our various vineyards, all harvested at different times. This produces a complex range of cool aromas from gooseberry and elderberry to green asparagus with tropical fruits, redolent of the wines from its native country of New Zealand (represented here by a small Kiwi bird).
